Re: Invitation to Provide Scoping Comments  
S.R. 173; 5400 South, Bangerter Highway to 4800 West  
State Environmental Study

Dear [DEAR]:

The Utah Department of Transportation (UDOT) is conducting a State Environmental Study (SES) for 5400 South from Bangerter Highway to 4800 West in Salt Lake County.

In the Wasatch Front Regional Council 2040 Long Range Plan, local leaders identified a need to add capacity in the project area. UDOT's intent is to study the purpose, need and potential alternatives for widening 5400 South and correcting roadway deficiencies while minimizing impact to residents, businesses, utility services and other existing resources.

UDOT is conducting a scoping process for the SES through which the Department will seek to further validate and define the purpose, need and scope of the study, including environmental issues and alternatives. Agencies are thus invited to communicate in writing any study-relevant issues, concerns, and/or opportunities respective to their jurisdictions. Written comments should be addressed to:

5400 South Study  
c/o Penna Powers Brian Haynes  
1706 South Major Street  
Salt Lake City, UT 84115

or sent via email to [5400south@utah.gov](mailto:5400south@utah.gov).

While UDOT welcomes public input at any time, scoping comments are **due 5 p.m. Friday, Feb. 4.**

You are also invited to attend the **Public Scoping Open House:**

A UDOT PROJECT

Further, agency representatives are welcome to contact the study team to inquire about project specifics. You may email [5400south@utah.gov](mailto:5400south@utah.gov) or call (855) 540-0740 (toll-free). If the study team receives no comments or contact from your agency by Feb. 4, we will assume that you are not interested in participating at this time.

Thank you for your consideration.

Sincerely,

Troy L. Peterson  
Project Manager  
UDOT Region 2
